

## JUNE 10 SHOWCASE WORKSHOP

This workshop is a showcase for current ONTO Michigan sites, awareness training for interested sites, and a resource fair for all. Come to share your innovative activities and learn from others. Our common goal is to increase recruitment and retention of learners preparing for high wage, high skills, and high demand occupations which are nontraditional for gender.

If you have an ONTO Michigan project that you would like to share about, please contact Lynn at [lcreha@ilstu.edu](mailto:lcreha@ilstu.edu) for a place on the agenda.
